A Brief Description About Khel Gaon Nagrota Jammu

The Department is thankful to Mr K Vijay Kumar, Advisor to Hon'ble Governor J&K and Mr Sanjiv Verma, Divisional Commissioner Jammu for realizing the need of the Department for conduct of various sports activities and competitions in a multipurpose sports facility in Jammu. For the purpose, the Department was provided a piece of land at Khel Gaon Nagrota Jammu for its development into a multipurpose sports playfield. This was possible because of the efforts of Shri Farooq Khan Advisor to Hon. Lt. Governor and Mr Sarmad Hafiz, Secretary to Govt. Department of Youth Services and sports Jammu & Kashmir.

The Department in a very short span of time converted this barren piece of land into different playfields where sports activities could be conducted throughout the year. The Department was able to host 65th National School Games in the discipline of Volleyball U-17 years and Kho-Kho-U-19 years for boys on this facility.

As a new initiative, a patch of land was reserved for each team, who visited the State to participate in National Level Competitions to plant over 15 hundred plants at Khel Gaon, Nagrota. The field has a large capacity and at the Inaugural Ceremonies, thousands of people witnessed these mega events. Mr. Farooq Khan, IPS (Retd) Advisor to the Hon'ble Lieutenant Governor in presence of Financial Commissioner Finance Sh. A. K. Mehta, (IAS) and Sh. Sarmad Hafeez, (IAS) Secretary Youth Services and Sports laid the foundation stone at Khel Gaon Nagrota Jammu. The department has initiated the process for the construction of a high quality Indoor Stadium, Synthetic Football and Volleyball grounds, Swimming Pool, shooting range and State of the Art Infrastructure which will create an environment conducive for higher learning in the field of games and sports.

We look forward to provide an ideal ambience to the athletes of Jammu & Kashmir and hope that it will prove a nurturing ground for all sports persons of J&K to compete at National and International Levels.

LIFE GOING TRAVERSE AT GULMARG

Skiing can mean a few different things but the one we mainly focus on is the actual recreational activity which for some can become a competition and great for winter time to be in the snow. If you have never been skiing, hitting the slopes will be full of excitement of which memories will be built and so many laughs captured.

“THE SLOPES OF GULMARG ARE CALLING AND WE MUST GO”

The departmental activities remain suspended for a period of over six months due to harsh winter in the valley. Only skiing is done in this season at the beautiful slopes of Gulmarg. Director General took the keen interest in Ski sport and revived the training courses at Gulmarg after a gap of four years. Director General of Youth Services and Sports J&K roused his white powder specialists (Ski Experts) to activity and organized 06 Ski Training Courses at Gulmarg of both Boys and Girls – thereby arresting their sedentary life style by providing them a chance to press their heels on the beautiful slopes of Gulmarg. The courses started from 19-12-2019 with the strength of 60 students per batch (Boys & Girls). Financial Commissioner Dr. Arun Kumar Mehta accompanied by Mr. Sarmad Hafeez, Secretary to Govt. Youth Services and Sports Department and Dr. Saleem-ur-Rehman, Director General Youth Services and Sports J&K along with his crew had a good time at the slope interacting with the trainees of 11 Districts of J&K. Both are very good skiers also. Dr. A. K Mehta also took the stock of the arrangements efficiently made by the department of Youth Services and Sports, besides enjoying the moonlit night Skiing commingled with the flood lights. Director General Dr. Saleem-ur-Rehman while briefing about these courses said that the department trained 400 Boys and Girls across J&K so far and over a 100 local boys were also trained side by side. 60 Boys & Girls from College of Physical Education Ganderbal received training in basic, intermediate and advanced courses this winter. 03 training courses, exclusively for girls were also conducted, Director General YS & Sports said. He also reiterated that the last Ski Course of 60 students (Boys and Girls) will culminate the Winter Sports at Gulmarg in the month of March if snow withstands the heat of the sun
